Ms Benner,

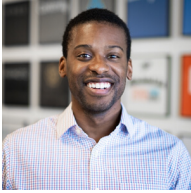

Pursuant to the Court's April 15, 2026, Order, I am proposing Rodney Jay Stevens of Jones, Powell and Stevens, LLC as a mutually agreeable mediator. Given the documented financial complexities - including the Federal Reserve findings, documented dual-ownership of the Harvey, County house, and the sole-liability Capital One debt (Case No. 25BA-CV05964) - Mr. Stevens' dual experience in family and commercial litigation is necessary for a meaningful review.

Please advise of Petitioner's consent by Friday, April 24, 2026, so the joint CTR may be filed.

Note on Readiness: While I am prepared to comply with the mediation track, a productive session is predicated on a factually solvent record. I look forward to receiving the cured Form 14 and Property Statement by the Friday deadline established in my April 17 and April 22 notices, as mediation cannot proceed in good faith based on the current documented misrepresentations.

Mr. Samudzi,

Thank you for your proposal. My client prefers to proceed with a mediator from the 13th Judicial Circuit's approved family law mediator roster, consistent with the Circuit's local mediation practice. The current roster is below. Please identify those from the list to whom you would consent so we can finalize a mutually agreeable selection and file the joint Consent by the Court's deadline.

- Angela Allphin, 314-725-1912, angi@crossroadscounselingllc.org

Ms. Benner,

Missouri Rule 17 does not restrict parties to a specific roster, nor does it mandate a Rule 88 certification for a private mutual selection. Mr. Stevens is a local Columbia practitioner, and his appointment is entirely consistent with the 13th Circuit's requirements.

I do not consent to your provided roster. As established in my **Motion for Sole Legal Custody** and the supporting **Anna Chau correspondence** (RFP), the "therapeutic" mediation model—led by LPCs and EdDs—has historically served as a vehicle for the Petitioner to evade accountability through emotional flooding

Please provide the Consent for my review so we may meet the Court's April 28 deadline.
