Good morning Mr. Samudzi,

I can help you with your request. We have diligently searched our auto enrollment list back to early November without finding your enrollment application. Would you be willing to provide the Username you created during the setup process? That will help us identify your application to determine what the issue may be.

Thanks,

Mike

Hello Mr. Samudzi,

I am following up on my previous message. We would be happy to help you get online access set up. Let us know the best way to communicate with you to get this accomplished. I can have a representative from our digital banking team call you if that would be preferable.

Thanks,

Mike

Mike,

Thank you for the follow-up. I was holding off on responding pending the conclusion of the Federal Reserve's investigation into my complaint, which has now closed. I would like to complete the online banking enrollment and am happy to have a representative from your digital banking team call me to get this set up. My number is (415) 450-1292. Please just let me know the phone number to expect as I have aggressive call screening on my phone due to spam.

I've attempted account creation multiple times at this point, so there are likely multiple variations of my last name and first initial in your system.

Additionally, I want to flag an outstanding item from my November 10 correspondence with Rick and Marci. I asked four questions at that time. Rick confirmed that payments are current and that he would contact both parties if a payment were late, but he did not answer my question regarding what account mortgage payments are currently being made from. Marci noted that Rick was "currently working with Amber to get something set up from a different account" after the Capital One account ending in 6077 was closed on November 7, 2025. That source account question was never resolved.

As co-owner of the property at 502 E. 10th St., Newton, KS, I am requesting:

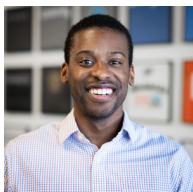

1. Identification of the account from which mortgage payments are currently being made;
2. Disclosure of any accounts associated with the property that receive rental income, including any accounts established after the Capital One account was closed on November 7, 2025;

3. Whether any such accounts were established in Ms. McIntosh's name alone in connection with the jointly owned property, and if so, on whose authorization.

I appreciate the bank's responsiveness on this matter.

Mr. Samudzi,

I'll have Jodie Wall call you about your online banking access. She will call from 620-741-3010. Let me know when you are ready for her call.

See my answers to your other outstanding questions in blue below. Let me know if you need anything else.

Thanks,

Mike

As co-owner of the property at 502 E. 10th St., Newton, KS, I am requesting:

1. Identification of the account from which mortgage payments are currently being made;

Payments are being received from an account at Union State Bank.

2. Disclosure of any accounts associated with the property that receive rental income, including any accounts established after the Capital One account was closed on November 7, 2025;

We are simply the Bank that provided the loan secured by the property. There are no covenants in the loan that require rents or any other business-related revenues to be deposited at the Bank. That information should be discussed directly between interested parties.

3. Whether any such accounts were established in Ms. McIntosh's name alone in connection with the jointly owned property, and if so, on whose authorization.

The Bank cannot provide you information for any account on which you're not an owner due to privacy laws. Generally, accounts are not restricted to specific uses like managing business related payments, and the Bank is not responsible for the transaction activity or who authorized activity outside of the account owners.
