Dear Mr. Meers:

Please be advised that non-response to this letter within the requested time frame will be construed as refusal of demands and will result in immediate legal action.

I am again contacting you on behalf of Amber McIntosh regarding the sexually explicit recordings and images that you created and currently possess. These recordings were made during encounters in Washington, California, Nevada, New Mexico, Missouri, and Kansas. Despite previous direct communications from both Ms. McIntosh and myself **simply requesting deletion of all such material** and post-hoc affirmation of same, we have received no response or confirmation of compliance. This letter constitutes a final formal demand before pursuing legal action.

Ms. McIntosh's initial consent to certain recordings is legally invalid. At the time of recording, Ms. McIntosh was experiencing documented mental health conditions including hypomania, postpartum depression, and emotional distress, as verified by her treating psychiatrist. Of particular concern is the October 16, 2024 "casting couch" style recording, which caused Ms. McIntosh significant psychological trauma. No signed model releases or valid consent forms were obtained, and proper protocols regarding consent were not followed during filming.

Under these circumstances, **Ms. McIntosh hereby explicitly revokes any and all prior consent for your possession, use, or distribution of these materials.**

Your continued possession and potential distribution of these recordings violates multiple state privacy laws, including but not limited to:

- Washington Revised Code § 9.68A.011
- California Civil Code § 1708.85
- Nevada Revised Statutes § 200.737
- New Mexico Statutes § 30-9-16
- Missouri Revised Statutes § 565.260
- Kansas Statutes § 21-6109
- Negligent Infliction of Emotional Distress (multiple states)
- Revenge Porn Laws (multiple states)

Your conduct in creating and continuing to possess these materials despite her documented mental health conditions and withdrawal of consent in November 2024 has caused our family severe emotional distress. This is particularly concerning given your documented history of psychologically abusive behavior, as evidenced by the 2022 internal investigation conducted by Stinson LLP which corroborated allegations of workplace abuse that resulted in psychological harm to multiple individuals under your supervision. This established pattern of conduct provides additional grounds for significant compensatory damages.

These violations provide for substantial civil remedies and potential criminal penalties.

DEMANDED ACTION:

You are hereby demanded to:

1. Immediately and permanently delete ALL sexually explicit videos, images, and related materials involving Ms. McIntosh from all devices, storage media, cloud accounts, backups, and any other locations under your control.
2. Within forty-eight (48) hours of receipt of this letter: Provide written confirmation via email to samudzi@gmail.com detailing your compliance actions.
3. Within seven (7) calendar days of receipt of this letter: Deliver a notarized affidavit certifying complete permanent deletion and non-distribution to

Shingai Samudzi
2890 S. Hancock Hills Rd
Rocheport, MO 65279

Failure to fully comply with BOTH requirements 2 and 3 will result in immediate legal action without further notice. Ms. McIntosh will pursue all available legal remedies, including injunctive relief, monetary damages, attorneys' fees, and costs.

This letter is sent without prejudice to Ms. McIntosh's rights and claims, all of which are expressly reserved.

Sincerely,

--
