Mr. Samudzi,

Good morning! My name is Brandon Holtz, and I am an investigator with the Internal Affairs unit at the Columbia Police Department, and I have been assigned to look into your complaint.

I would like to discuss this investigation with you. Are you available for a scheduled phone call today, or later in the week? I can also schedule to meet with you at the downtown police department if you would prefer.

Thanks,

Officer Brandon Holtz
Internal Affairs
Columbia, MO Police Department

Hi Brandon,

Thanks for reaching out.

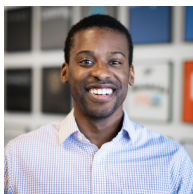

I'm available after 3PM today.

In preparation for the call, I am attaching here the request that was made to me by Amber McIntosh to delete the videos during the active CPD investigation (a request forwarded to Officer Gilstrap), as well as text communications from Signal and WhatsApp regarding all actual communications between her and myself regarding the content.

Sounds good. I'll call you in a few minutes. What is the best number to reach you at?

It's 415 450 1292.

If calling from a blocked number, please bear with me, even with correct settings, my iPhone still pushes straight to voicemail and I'm not quite sure why.

Chief Schlude,

Forwarding for the record. This email and the attached forensic exhibits were provided to **Investigator Brandon Holtz on September 23, 2025**, at the commencement of your department's Internal Affairs investigation.

These documents provide contemporaneous proof of Ms McIntosh's demands for evidence destruction (RSMo 575.100) and her admissions regarding child exposure to intimate content.

As these facts are now part of the formal record shared with Senator Hawley's office and the DS Political/DNC General Counsel, I am ensuring you have direct visibility into the specific evidence your department chose to characterize as 'Unfounded.' I look forward to your response by EOB Thursday.
